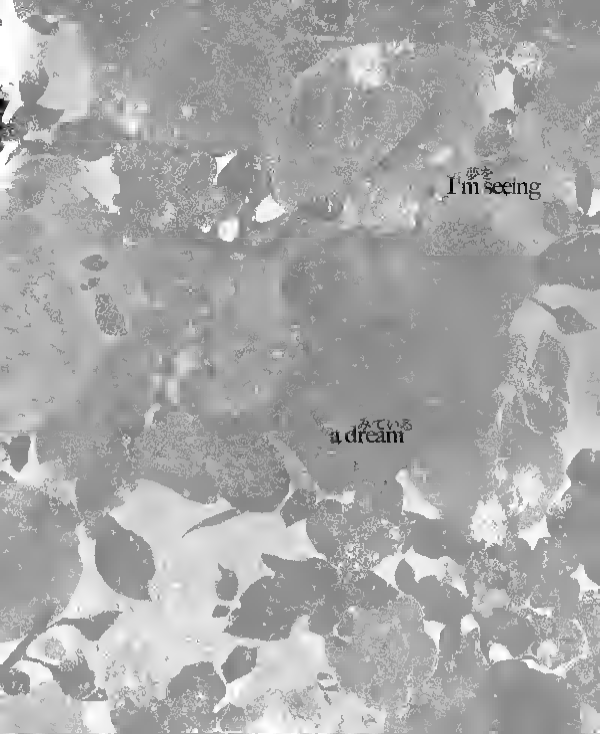
Amelia



I'm seeing
夢を
a dream
みている

I baked some chocolates
wow
thanks
...at last
a peaceful
and
happy world
without conflict
hehe
I asked Sayaka
for some help
to get further
yes
and
commemoration

since we were children,
Suzaku, you,
being here with me, like this
makes me really happy.
with pleasure.

huh?
heh
hehe
Yunnah
the other one, who is it for?

I mean, we can't see each other like this
I'm lonely,
you're not here.
even though we're at the same school,
what-not that!
to put it simply, I just wanted to see you
again talkin' about that
I said, I did give him his food!
don't avoid the subject

argh, just come to school, okay!
you just promised!
not th-
isn't it irrelevant?
uh-huh
yeah
good work, keep it up
huuh
is it always like this?
nah
lately, his slacking's increased
btw, how do I say this...
you two are
doing quite good, eh?
eh,

the reason Lelouch's slacking is because he's doing something else!
ohh— You're saving
indeed, that's our
Mr. Perfect Kururugi
hang in there!
three cows, right?

ah
wrong locker
oh
no, it's the right one
I can't go to PE with my uniform like th's
that's why. I'm sad.
and it's painful.
I need to do the right thing.

don't mind it
what goes around
here, I'll lend you my clothes
so use them today
comes around
worthless
.....Lelouch
what happened?
but to PE of all things?
since you told me to come
I came.
well, a credit is a credit

here
you're a champ
thanks
L-louch-is
L-louch-is
really beautiful
he's too beautiful, it's kinda scary
I mean, just because of that I'm—
no, that's just an excuse

can't justify it to myself.
just because I said it
but you're standing in front of me.
like.
wrong size?

yeah
it's Lelouch's
I forgot to wash mine
teacher
this musclehead
shouldn't be playing
I use guys, he's on my team
I don't care what you say, he's playing
don't want those people to join forces!
c'mon

smells like Lelouch
ah
someone stop

Kuroshitsuji
Since you're friends with me
I'll kill you even
sheesh
pretty violent
I have a
pile of things to do besides this
seriously
worthless
I said, it's worthless.
don't talk like that without having a basis for what you're saying
even if it was because of that
I don't remember instructing any other person to straighten out my relationships with my aquaintances
. . . so you aren't
uncertain about this?

that's...
good timing
I'm gonna nap a little
tell the teacher
that I'm not feeling good
then
there's no meaning to what happened
and that's all
they're seeing this
will you hate me?
don't you disdain me that much?
no way
...certainly, if you're talking about Lelouch
it's not like normal harassment.
more like, he's too cute, so they give him a lot of grief for it.
like you'd pester the girl you like.
you know,
along those lines.
the point is
you want to make him
pay attention to you

but seriously
that was grand
you're pretty clever, huh?
have any idea how
I can dirty Lelouch?

good
. . . he's here
his sleeping face is
beautiful too

you
you
don't you care about yourself
you
the only thing important to me is Nunnaly
if Nunnaly is safe and smiling
that's good enough
just that is fine

I just want that to happen.
Suzaku

Lelouch,

Lelouch

look who's talking
aren't you tired?
what are you doing
woke up?
I think
the you're the tired one
aren't you always sleeping during class?
so it was obvious

what did you
dream about?
Utopia
Shangri-La
Xanadu
Arcadia

aren't they dreaming about something else?
that's not it
I've been seeing it
Arcadia?
I remember that
...since
people always
dream of utopia
forever

are you in the dream
you
dreamt?
I just
wanted to ask if
hey.
hey
Lelouch.

Rival!
are you all right
uh

again,
the dirty one is

me,
I didn't think
you'd come

I'm very sorry.
to Rivalz?
so you think
you're ultimately
at fault?
I properly did
apologize
to him.
Rivalz is really
kind, huh
you coming here
is quite something

really want?
what do you
I want to do
the right thing
if I don't do
the right thing

do whatever you want.

Lelouch

still,

everything
is in you

...it's not fair.
Lelouch
you don't ever get dirty

you're always,
beautiful,
no matter
what happens,
always
thinking
of
Nunnaly's
happiness

Suzaku
I've been dreaming since
I was a child
I don't know if it's because
I'm powerless like this
but that place is
really beautiful and
Nunnaly is smiling very happily
you'll
someday.

and beside her is
you,
you're
there

I wonder if this one's Sayako's?
but I thought
I gave her some already
in case of emergency?
but it's really beautiful
why don't you eat it, Suzaku?
what about you?
no thank you, I'm full

why don't you eat
that chocolate as
a fee for always being beside me?
be here
I will
protect you
heh
I don't think so
I'll always
...uuh!
nice weather...

huh?
